

REMARKS

Claims 3-8 and 29-31 are pending in the application. Claims 7 and 31 have been amended to be consistent with the new Sequence ID numbering. A substitute specification, accompanied by a mark-up copy, has been submitted pursuant to 37 C.F.R. § 1.126(b) and (c). Amendment to the Specification is made to reconcile the sequence numbers on the computer readable form with those in the specification. No new matter has been included in the substitute specification or computer readable form. The claims are similarly amended to reconcile the sequence numbers.

Sequence Compliance

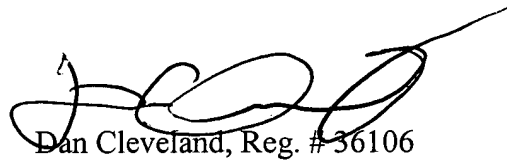

A substitute paper copy of the “Sequence Listing” has been attached as per Examiner’s request. This “Sequence listing” should be inserted at the end of the Specification. The specification and claims now conform to 37 C.F.R. §1.821(d), and the amendments do not constitute new matter where the sequences in the computer readable form are identical to those disclosed in the text of the Specification.

A substitute computer readable form (CRF) copy of the “Sequence Listing” has been submitted the content of the paper and computer readable copies of the “Sequence Listing” are identical and contains no new matter as required by 37 C.F.R. §1.821(e) and §1.821(f).

The Commissioner is authorized to charge any additionally required fees to deposit account 12-0600. Should the Examiner have any questions, comments, or suggestions that would expedite the prosecution of the present case to allowance,
